ORECK COMMERCIAL

PREMIER SERIES

HEPA 6 & 10 QUART BACKPACK

A commercial vacuum designed for all-around use.

- Lightweight only 9.5 -10.5 lbs! Means more freedom of movement, increase in productivity and reduced labor cost.
- Perfect for casinos, hotels, motels, hospitals, offices, airports and anywhere that calls for multi-use cleaning task.
- Ametek motor with built in heat sensor.
- Patent pending adjustable shoulder strap & waist belt design so the machine rests off your back.
- 50’ cord gives you more mobility over large areas.
- 1 ½” crushproof 4’ vacuum hose with swivel cuffs.
- Twist off lid.
- Lightweight aluminum wand connected to the backpack by a flexible hose makes it easily maneuverable around furniture and other obstacles.
- On/Off switch with power nozzle hook up for easy finger tip control.
- Switch & waist belt Velcro to each other for comfortable switch placement.
- HEPA filter bags available.
