

# RAISED LEVELS OF CLEANLINESS ARE NOW EXPECTED

## Isn't it time to UPGRADE your Cleaning Tools?

The unique design of the StingRay Cleaning Tool cleans windows and surfaces up to 25% faster with 39% less chemicals.

- Quickly clean indoor glass drip-free and easily reach high access areas without the need for ladders or climbing on furniture.
- Minimized Airborne Chemicals – Pad design incorporates protective cut-out for precise liquid application reducing the chance of inhaling chemicals. Enclosed spray nozzle prevents chemicals from becoming airborne.
- Push Button Simplicity – Effortlessly apply cleaner at the push of a button on the ergonomic handle. Cleaner is on board - no spray bottles or wipes needed.

### Stingray® Refillable Microfiber System Kit 3' SRKB6

Use with your preferred window cleaner, surface cleaner or disinfectant.

**Kit SRKB6 includes:**

- (1) Stingray® Refillable Cleaning Head
- (1) Stingray Extension Pole
