## T41 Comfort Rest Pebble Foam Safety/Anti-fatigue Matting

Available Colors: Coal

Comfort Rest Pebble Foam features an embossed pebble-texture top surface that enhances the mat's slip resistance while providing increased worker fatigue relief. The PVC closed cell foam construction relieves leg and back discomfort while providing a barrier to cold floors. Available in standard (3/8") and heavy-duty (9/16") versions, Comfort Rest Pebble Foam is intended for applications where basic anti-fatigue relief is required at a low cost.
