

→ simplehuman® semi-round step can - 40L - brushed

Our fingerprint-proof semi-round step can is designed for superior durability and strength with our patented lid shox® technology and a durable, all steel pedal. The space-efficient shape and slim profile hinge make this can ideal for high-traffic areas.

- strong, all-steel pedal: Our strong, all-steel pedal is engineered to last over 150,000 steps — that's more than 20 steps a day for 20 years.
- silent close lid: Our patented lid shox® technology controls the motion of the lid for a slow, silent close.
- semi-round shape: Space efficient semi-round shape is great for high-traffic areas.
- fingerprint-proof: Fingerprint-proof finish resists smudges to keep stainless steel shiny.
- hide excess bag: Bag tuck® opening tucks away excess bag so it stays neatly out of sight.
- slim profile hinge: Slimmer than traditional hinge designs — allows you to place the can closer to the wall.
- stay-open lid: Keep the lid open whenever you need it — great for long chores.
- sturdy, non-skid base: Non-skid base has rubber pads that are gentle on floors and keep the can steady.
