

Safe & secure

# BOOSTER SEAT

New Design!

## The Booster Seat Children Will Actually Enjoy

Our new and improved booster seat keeps children safe and secure while dining at your foodservice establishment. The modern design has various upgraded features that help create a pleasant experience for your young guests.

## Features & Benefits

- **Built-in Antimicrobial:** Eliminates the growth of odor-causing bacteria
- **Durable:** The polypropylene construction is sturdy and lightweight
- **ASTM Certified Straps:** Effectively secures the child around the waist in harness configuration
- **Integrated Cup Holder:** A tumbler or sippy cup remains in arm's reach

**Elevated Back** - - -  
Better support for young children

**Thoughtful Design**  
Built-in cup holder

**Safe & Stable**  
50-pound weight capacity

**Easy to Clean** - - -  
PET straps are strong and easy to clean

**Stackable** - - -  
Nested design for space efficiency
