

*Versatile & Durable*  
**BRONCO™**  
 Color-Coded Containers

**Durability Molded In**

Our redesigned, heavy-duty round Sparta® Bronco™ containers are built to outperform the competition. Experience one of the most durable and cleanest containers on the market. Bronco is a superior solution for commercial establishments that use color-coded, lidded containers for food storage or waste.

**Features and Benefits:**

- **Durable Construction:** Made with heavy duty plastic and reinforced drag skids for maximum longevity.
- **NSF 2 and 21 Certified:** These containers and lids meet standards for food contact and cleanability.
- **Unique Molded Design:** Smooth walls are ideal for food contact and cleanability.
- **Innovative Handles:** Comfortable handle design prevents containers from vacuum sealing when stacked. Molded ergonomic hand-holds on bottom make lifting easier.
- **Color-Coded:** Available in 11 colors that align with HACCP programs and promote an integrated color-coded system.

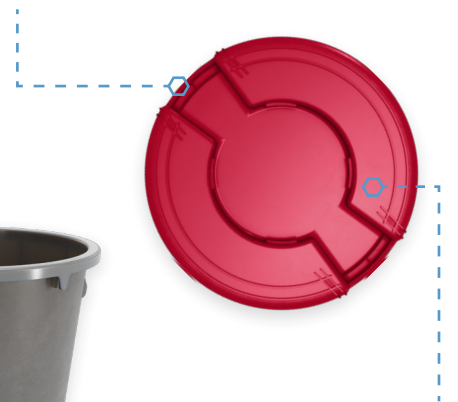

**Comfort Curve Handles**

Handle design allows for easy lifting & prevents vacuum sealing when stacking

**Unique Base Handles**

Integrated sanitary hand-holds on bottom allow for easy lifting

**Container Base Features**

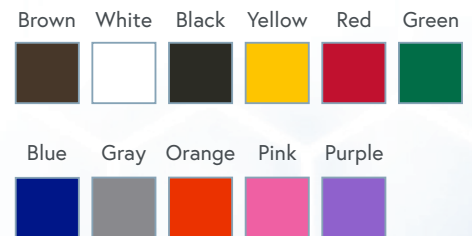

Molded-in notches securely attach to a wheeled dolly\*

**Lids Stay On**

Snap down and press-pull lids stay on & remove with ease
