

G-COOL™ SINGLE

Project	Date	Model	Item#	Quantity
---------	------	-------	-------	----------

model C-1S-16

Features

- The most advanced, user-friendly cold premix dispenser available sells more cold beverages.
- Large, 5 gallon (18 L) bowl with 9.5" (24 cm) cup height.
- 360° merchandising helps you stand out from the competition and attract more customers.
- Faster cleaning - cleans in half the time of a traditional dispenser, saving labor.
- Simple machine care and easy operator interface promote better sanitation.
- Breakthrough technology featuring patented Tri-Cool™ evaporator offers maximum refrigeration using less energy and saving money.
- Low aeration magnetic mixing system keeps product mixed without creating unwanted foam in tea and cappuccino products.
- Modular construction uses interchangeable components throughout the line, promoting machine flexibility while keeping parts inventories low.
