Tray Chic

Help reduce person-to-person contact by using G.E.T. trays for a sanitary and safe drive-through experience.

Popular Trays for Contactless Serving

Quick Serve Trays

Ensure the safety of staff and customers by reducing potential for hand-to-hand contact

Place packaged food and drink on tray

Extend tray to guests so they can remove their order from the tray without person-to-person contact

The customer takes their food and the employee takes the tray back for sanitation and reuse
