Glass Washers

Lipstick | Pulp | Residue
Solution.

*"If the old one was free, I still wouldn't go back to it.
There is just no comparison!"*

Elaine, Manager of Donerick's, Worthington, Ohio

If the glassware is *dirty*, the kitchen is *dirty*.

- Cleans glassware inside and out
- Perfect for behind the bar, 3-sink systems
- Recommended as a pre-scrub for BOH ware washing stations
- No moving parts - No maintenance cost
- Only device designed to clean two glasses at once
- Proudly made in the USA

The solution to a perfect glass.
