Complete Your Cafeteria

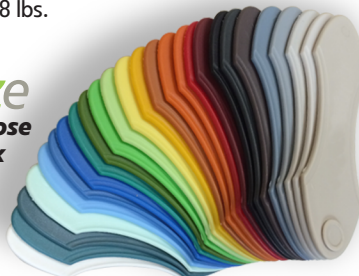

#8700 & #8800 Series Cafetorium Bar Stool

NPS® has expanded its popular Series #8700 and #8800 Cafetorium Chairs to include a Bar/Café Height Stool option. The same gorgeous, modern looking seat and back, mounted to a taller four-legged frame in Bar or Café height with a 31" high seat. Matched to the Cafetorium Chairs - in either padded or plastic seats - we now offer a solution for the entire cafeteria seating environment. Choose your seat, frame and back colors from a wide range of colors to match your environment.

SPECS:

- 18-gauge 7/8" tubing
- Solid 1" plastic stacking glides
- Product Weight: 18 lbs.

Customize Your Stools! Choose your frame, back and seat colors to match your environment!

ASK YOUR NPS® DEALER FOR THE FULL RANGE OF OPTIONS.
