SAY HELLO

TO EFFORTLESS 1-PERSON
TABLE SETUP & TAKEDOWN

EASY AS **1-2-3**

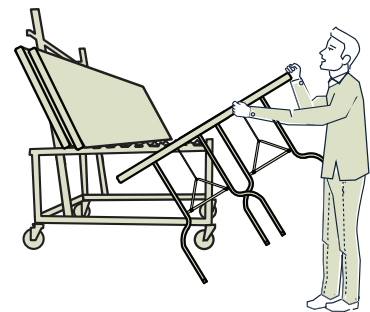

1

Ensure that the safety strap is fastened, and roll the TAD with folded tables to your desired location.

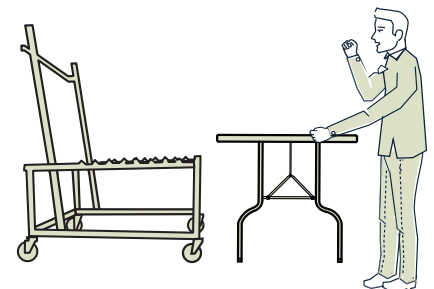

2

Open the safety strap and unfold the legs of the front table. Gently tilt the table to a standing position.

3

The table will come to rest in an upright position. Fasten the safety strap on the remaining tables and the dolly can be rolled away.
