

NEW BOLTABLE LEGS FOR YOUR SCOTSMAN® ICE STORAGE BIN.

LEG DETAILS:

- 6", 8", and 12" security legs
- Stainless Steel
- Adjustable height
- 3 hole flanged foot
- 5/8-11 thread, fits all current commercial self-contained and bins except CU50, CU0515, and B230P

KIT DETAILS:

- 6" legs, set of 4, part #02-4731-01
- 8" legs, set of 4, part #02-4731-02
- 12" legs, set of 4 with 2 stability channels for CU1526 and CU2026, part #A40134-002
- 12" legs, set of 4 with 2 stability channels for CU3030, part #A40134-001
- 12" legs, set of 4 with 2 stability channels for B330P, B530P, and B530 S, part #A40134-003
- Stability channels tie two legs each to cabinet bottom to minimize cabinet motion when unit is on the 12" legs.
- Long legs are NOT recommended for: HD dispensers, 22" bins, 42" and larger bins and machine stands
