

Flame Free™ Thermo-Urn™

NO EXTERNAL HEAT SOURCE NEEDED

The Flame Free™ Thermo-Urn™ is a Service Ideas exclusive product, engineered to achieve true vacuum insulation that provides six+ hours of heat retention with no external heat source. This economical design significantly reduces labor and supply costs and has the potential to save you hundreds of dollars a year. You could receive a return on your investment within a matter of months! Furthermore, without the need for direct heat, your coffee will taste fresh until the last cup is poured.
