# Tucker KutGlove™ SF Cut Resistant Glove

CUT RESISTANT GLOVE

When you need to work with sharp tools and objects, hands need protection. Tucker KutGlove™ Cut Resistant Gloves give hands the best protection from direct contact with sharp edges such as knives and slicer blades.

KUTGLOVE™ CUT RESISTANT GLOVE

- Tucker cut resistant gloves are wire-free and made with Spectra® fiber, which is one of the highest strength to weight ratios of any manmade fiber.
- Spandex plaiting offers unparalleled comfort that feels like a second skin in a glove appropriate for handling food.
- Cadet-style fingers (shorter) ensure fingers extend all the way to the tips of the glove.
- Non-absorbent, food grade yarn/fibers feature inherent anti-microbial protection that will never wash or wear out of the glove.
- Antimicrobial agent is NSF certified under Standard 51 for food equipment and materials.
- CE tested and certified level 5 cut resistance.
- Color-coded to aid in identifying size, application, kitchen zone or support HACCP programs.

**EXTREME COMFORT** means gloves stay on hands, even for fine detail work; protective products do not work if they are not worn.

**SUPERB FIT, DEXTERITY AND TOUCH SENSITIVITY** for maximum control during food preparation.

**WITHSTANDS REPEATED WASHING AND SANITIZING** without losing protective qualities; bleach and sanitizer safe.

**ANTIMICROBIAL PROTECTION** protects against the reproduction and spreading of bacteria; glove protects hands and food.
