## Fruit & Vegetable Slicer

### STATIKboard™ Cutting Board Mount

**Model: CBM-1218**

Make the KATTEX Fruit and Vegetable Slicer (FVS-1) portable with this cutting board mount.

The patented original design of STATIKBOARD™ puts safety first with molded-through, non-slip feet that prevent slipping & sliding, even on wet countertops. Rubberized sides of the board help maintain an upright storage position without sliding. The boards hold firm, are sturdy, and the fully-rubberized hook makes them easy to store and transport.
