lavender

An alluring aroma of blooming lavender touched with rosewood and fresh herbs.

the perfect soap

The perfect consistency for sensor pumps — no clogs or drips. Dispenses the correct amount quickly and consistently.

simple, sensible and clean

Sensible ingredients and nothing more — our new formula is biodegradable, hypoallergenic and contains no parabens or DEAs. And it's sulfate-free to be even gentler on your skin.

refill and reuse

Throwing away disposable plastic pumps over and over is hard on the environment — and your wallet. Our resealable soap pouches are a smarter way to buy soap.
