

THE CENTURY

The sign holder that does it all! This sleek design is lightweight, sturdy and easy to assemble. The sign holder measures 22" x 28" and holds standard size poster inserts. Attachments are available to add 2 or 4 wire baskets, which hold standard 8-1/2" x 11" literature. Black powder-coated finish.

THE CENTURY W/ BASKET HOLDER

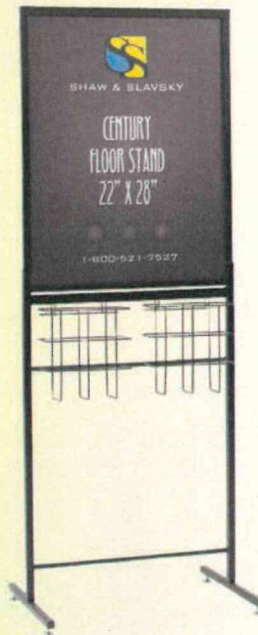

Many times a shopper opts for a hand carried basket when shopping for a few items. Why not use your basket caddy to display your message? The sleek design is lightweight, sturdy and easy to assemble. The sign holder measures 22" x 28" and holds standard size poster inserts. Attachments are available to add 2 or 4 wire baskets which hold standard 8-1/2" x 11" literature. Black powder-coated finish.

DOUBLE HIGH AD DISPLAY

Now you can display two messages with standard 22" x 28" inserts! This heavy duty floor stand is manufactured with tubular, steel welded construction and assembles in minutes. It stands 61" tall and comes in a standard black powder-coated finish.

PALLET SIGN HOLDER

This floor stand is perfect for advertising your message next to a mass display. The custom base slides easily under a pallet full of merchandise, with a telescoping pole that adjusts from 46" to 70" tall. The sign holder measures 11" x 14", and comes in a standard black powder-coated finish.
