

Estate Glassware

The Estate collection by Darling Foodservice is made from exceptionally clear crystalline glass built to handle high-volume hospitality without sacrificing presentation. Reinforced walls and stem provide additional durability while pulled stems create a seamless profile. An ultra-fine sheer rim makes for a cleaner, more refined drink from first sip to last.

- Estate pairs timeless elegance with durability
- Crystalline glass provides exceptional clarity
- Sheer rim for a refined sip
- Pulled stems for seamless strength
- Stems and wall thickness designed for high-volume hospitality environments
