

High Heat Disposable Dishware

Beat the Heat.

Dinex provides a variety of high temperature dishware for retherm or other heated cart systems. Our dishware adds a unique convenience to your retherm system while reducing cost.

Features

Convenient Sizing

Dishes have a low profile of 2.75" and below

Perfect Fit

9" disposable plate and dome fit standard induction bases

Upscale Look

More sleek and heat durable than foam take-out containers

Economic Material

Natural colored dishes are made with natural additives, reducing plastic by 45%

DINEX

Dust cover fits plate securely for easy transport

Performs well in temperatures up to 300°F

Microwave safe

Dinex disposable lids are manufactured in an NSF certified GMP facility. This assures the products you are using were manufactured in an environment that is contamination and pest free.
