dessert containers

in celebration of good taste

Send the right message—and serve some fun—with Indulge™ Containers.

These stylish containers feature a unique swirl pattern to showcase frosty treats such as ice cream, gelato, frozen yogurt and sorbet. They can make other confections more festive, too, from mousse and parfaits to fruit salads and brownies. Versatile size options with a common lid fit mean added convenience—and plenty of room to pile on toppings.

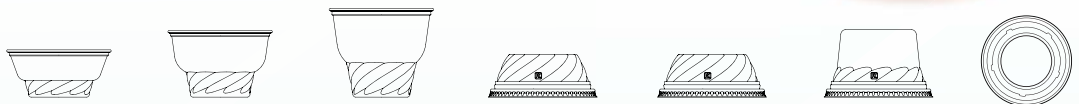

Serve Indulge Containers with pride, knowing they are made entirely from PETE, with at least 20% post-consumer recycled material. Here's another exceptional product from Fabri-Kal... a leader in sustainable packaging and member of the Sustainable Packaging Coalition.

## attractive distinction

- Contains minimum 20% post-consumer recycled PETE
  - Reduces the creation of new materials from earth's resources
  - Reduces plastic destined for traditional waste streams
  - Entirely recyclable package
- Stylish, unique design
- Sturdy, high performance container
- Crystal clear for complete product visibility
- Printable surface for outstanding branding opportunities
- Versatile dome lids are ideal for frozen confections
  - Low-profile "swirl" dome with and without hole
  - Tall flat-top dome can also serve as a treat dish
- Containers available in 5, 8, and 12 oz. sizes
- Made in the U.S.A.
- Complies with FDA requirements for food contact

## environmental benefits

- Post-Consumer Recycled (PCR) content is material that has been recovered and reprocessed after consumer use. When consumers then recycle products with PCR content, the sustainability loop becomes even stronger.
  - Reduces resin destined for the waste stream
  - Reduces the amount of new materials being created from earth's resources
  - Enriches the stream of recycled materials that can be used to make more products
