

Weston 10 Tray Digital Dehydrator

Model Number : 28-1001-W

UPC: 812830023438

Use our 10 Tray Digital Food Dehydrator to create healthy, tasty treats your family will love! Dehydrating retains the flavor without preservatives, and saves fresh fruits and veggies from becoming spoiled. Dry bananas, apples, berries, tomatoes, mango and pineapple into chips, create fruit rollups, dry herbs and make yogurt at home. Love jerky? Combine your favorite jerky seasoning to make snack sticks and jerky strips with beef, venison, turkey or other ground meats. Based on what you are drying, select a setting on the digital temperature control panel, and set the digital timer for up to 12 hours for an automatic shut off. The rear mounted fan circulates for even drying with out having to rotate the racks. There is a removable drip tray for easy clean up. Includes ten nonstick trays.

Bullet Copy	830 watt heating element (110 volt, 60 Hz) 12 hour digital timer shuts off automatically based on your selection Digital temperature control up to 155 degrees F maximum Rear mounted fan for even drying Digital temperature control (155°F max) Digital timer shuts dehydrator off automatically (12 hour max) Rear-mounted fan ensures even drying
