Wave ~ Action? System - Ordinary blenders spin contents around the walls of the jar, which can leave whole chunks untouched by the blades. The Wave ~ Action? System has a unique container and blade design for smooth results every time.

Timer & Two Speeds with Pulse Option - The timer is indispensable for busy bars. Two speeds offer precision blending for a wide variety of mixtures.

Durable Stainless Steel Blades - Four stainless steel blades are made to last and get the job done fast.

64 oz./1.8L Stackable Container - Break-resistant polycarbonate container with easy-to-read measurement marks stacks up for storage.
