Designed Smart

Maximum Versatility

- Holds a variety of foods with different merchandising options
- Pizza Racks with four shelves holding pizzas up to 18" D
- Pretzel Rack capable of holding 36 large pretzels
- Sandwich or Crispy Chicken with four shelves
- Pizza and Pretzel rack option utilize a revolving stainless steel spindle, creating the maximum product appeal and sales. Rack stops revolving when door opens
- Handles crispy or moist food equally well with unique combination of air convection heater and humidity water heater
- Air convection heater features a 700-Watt system
- Humidity water heater utilizes a 500-Watt system and a 3 quart water holding unit.
- Rear door is reversible to allow for placement in all tight corners or counter set-ups
- Convertible to a front-access self serve model with Pass through door option (HDC-4P)
- Able to switch from one product group to another with minimal parts and graphic accessories.

Easy to Operate and Maintain

- Labor for filling water heater is minimal. Water heater can hold enough water for 6 hours of operation at the high setting
- Easy to stock pizza, pretzels or other foods and access product through heavy-duty hinged doors in the back
- Features a water heater warning light that will alert employees to re-fill water in tank. Water heater will disconnect if water runs out in tank
- Stainless steel interiors and exteriors are easy to wipe

Option and Accessories

- Pretzel merchandising decal
- 4 shelf food flat rack
