

233-71A GRILL WIPER

Easily Remove Excess Grease From Your Grill

Prince Castle's Grill Wiper is a part of an extensive line of grill tools designed to make the job of maintaining a griddle fast and easy.

The Grill Wiper is perfect for removing excess grease from the griddle or non-stick covering on topside cookers. The silicone rubber blade prevents damage of surfaces, and is reversible for long-life. Designed to withstand temperatures up the 450°F (232°C), the grill wiper features a heat resistant handle for operator safety.

FEATURES

- Removes excess grease quickly and safely.
- FDA-approved silicone rubber will not damage Teflon coating or grill surface.
- Seven inch wide blade is reversible for long life.
- Withstands temperatures of 450°F (232°C).
- Stainless steel wiper holder.
- Heat resistant, nonporous plastic handle.
