NEW! Unique Design Just for Drive-Thrus

Window Service Tray

Designed by G.E.T.'s design team in partnership with operators, the new window service tray creates a sanitary solution that's optimal for transferring food orders from employees to guests.

The new window service tray enables a safe, simple contactless handoff of food orders at drive-thrus and other window service areas.

Drink holders placed at the back of the tray offer even weight distribution, unburdening staff and providing a smooth handoff to guests.

Only G.E.T.'s new two-cup window service trays provide contactless serving, ergonomic design and operational durability to reduce the risk of infection spread while ensuring safe transfer of beverages.

Who Should use the Window Service Tray?

Designed with ingenuity specifically for drive-thru windows at:

- Quick service chains and independents
- Fast casual chains and independents

Features

- Contactless food service tray
- Uniquely reduces risk of beverage spills
- BPA-Free
- Commercial Dishwasher Safe
- Operationally durable
- Customizable
- Perfect for Indoor and Outdoor Use
- Food Safe

WST-1-BK
Window Service Tray
16.75" L x 8.7" W x 4" H
6 ea

Serving area:
Cup Holder: 3.25" Dia.
Tray Area: 6" L x 7.9" W x 2.75" Deep

Reasons to Love
