## Features, Advantages & Benefits

### SICO® ARMOR-EDGE®

- The most durable edge available.
- Provides an incredibly tough edge to take hard everyday abuse without damage.
- Hermetically seals the tabletop and bench edges for sanitary purposes.
- Allows for easy clean-up, including steam cleaning.
- Proven track record for long-term durability.

### High-pressure Laminate

- Tough .04" (.10cm) thickness high-pressure laminate for added durability and long-term wear.
- Sanitary and easy-to-clean.
- A large variety of striking colors and patterns are available to fit any color scheme.

### Solid MDF Core

- Laminate tops are made with extremely durable ¾" MDF core material that is stronger than plywood or particleboard and resists warping.
- MDF core out-performs plywood or particleboard, is light-weight and resists warping.

### Rigid Vinyl Backer Sheet

- Applied to the underside of the tabletops for moisture control and easy cleanup (including gum removal), stain resistance and fantastic appearance.
- Far superior to all types of paper backers.

**Tamper Proof Expansion Rivets** – Fastens tabletop firmly to the frame and will not work loose like ordinary screws.

**Aircraft Lock-nuts** – Superior construction lock-nuts are used at all pivot points. Nuts are tamper resistant and won't loosen over time for increased safety.

**7 Gauge Vertical Hinges** – Extra heavy self-cleaning hinges won't trap food while providing strength, security and durability.

**Retractable Bar** - Holds table leaves in place when table is in fully flat position.

### Table Leaves

- Table leaves can be folded down for transport and folded out for serving.
- Tri-Fold table leaves can lock in the upright position for returning to the kitchen, greatly reducing breakage or spillage.
- Tops fold vertically for storage on Tri-Fold, Bi-Fold, and Uni-Fold tables.
- Comfortable seating for four with oval shape tables that won't crowd your guests.
- The oval shape also makes it easier for guests to reach everything on the table.

### Oval Tubing

- Aesthetically pleasing design. 16-gauge steel provides strength and durability.
- Center leg design gives your guests extra leg room.
- *Nickel Chrome Plated or Black Powder-coat Finished Frame/Legs* for durability, appearance, and ease of cleaning.
- Other elegant powder coat finishes available.

**PVC Rack** - Table guide and racks flip up to allow unobstructed seating. Provides extra storage for room service equipment like food warmer storage units during transport.

**Swivel Casters** – Tables roll quietly on 4" diameter grey resort wheels, designed to easily roll over rough terrain. Constructed for durability and easy cleaning. One person can easily roll and maneuver tables smoothly into service or storage. No need for table caddies. Non-marring casters protect the floor.

**Storage** - Tables nest in a minimum of 6 ½" (16.5cm) for each additional table in storage.

**Free Space Analysis** - Take advantage of the free space analysis drawings which will provide you with the appropriate number of tables and table accessories.

**Warranty** – Protected by a **3-Year Warranty** against manufacturer's defects. **Lifetime Warranty** on welds.
