Taylor thermometers are the secret to cooking great meals. You can spend a lot on cookware and appliances, but a simple Taylor thermometer brings it all together for great results. Since 1851 Taylor has provided you with accurate and easy to use instruments. When it comes to food safety and accuracy in measurement, it's no wonder that Taylor is the tool that chefs trust.

NOTE: There is a static cling label over the digital display. Please remove label before use. Remove strip under battery before using for first time.

TO PROGRAM COUNT DOWN:
Slide the selector switch located on the top of the timer to the `COUNT DOWN' position. Set the desired time by using the hour (HR), minute (MIN) and second (SEC) buttons. Hold down the buttons to advance the digits quickly. Press the START/STOP button to begin the count down. When count down is completed the alarm will active and the timer will begin counting up. Press the START/STOP button to stop the alarm and reset the display to 0:00.

COUNT DOWN MEMORY:
To use this function, after entering the initial count down time press the memory (MEM) button to store the timing period **before pressing START/STOP.** After the count down session is complete you may recall that amount of time by pressing the memory button. Press clear (CLR) to clear the memory.

TO PROGRAM COUNT UP:
Slide the selector switch located on the top of the timer to the `COUNT UP' position. The timer will read 0:00. Press the START/STOP button to begin the count up. Press the START/STOP button again to either pause the timing session or if the timing session is complete. Pressing the START/STOP button again will reactivate the count up session unless clear has been pressed in which case it will begin counting up from 0:00.

TO SET THE CLOCK:
Slide the selector switch located on the top of the timer to the `CLOCK' position. Select either the 12 hour (AM/PM) or 24 hour (military time) format by pressing and holding the clear (CLR) button. If you are in the 12 hour mode AM or PM will appear in the upper left corner of the display. Press hour (HR), minute (MIN) and second (SEC) buttons to set the time.

ONE YEAR LIMITED WARRANTY
Taylor warrants this product to be free from defects in material or workmanship, and on return, will repair or replace it at our option, without charge.

Taylor cares and is dedicated to the conservation of our natural resources. Please properly recycle this packaging.
