

Signature Drinks for Great Beverage Menus

From Orange Julius Originals to premium fruit smoothies, The Drink Machine Advance is an essential tool for adding or expanding a blended beverage program.

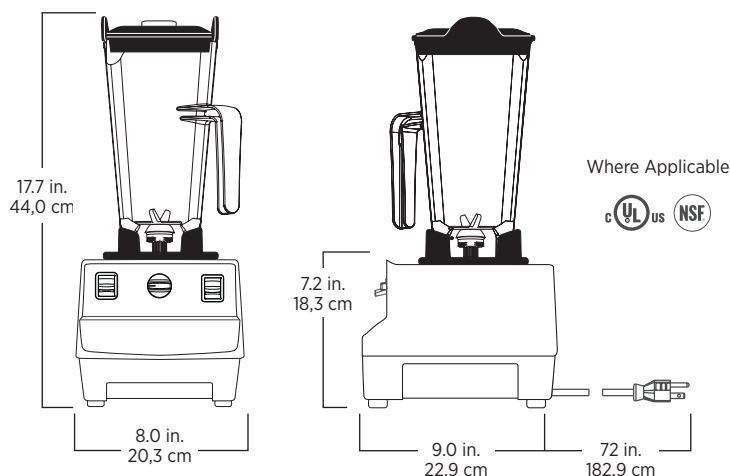

Smart Product Design

- 6 new programs deliver fast and consistent high-quality beverages.
- Enhanced motor design delivers power and durability for improved processing and back-to-back blends.
- Optimized programs with automatic shut-off let you turn it on, walk away, and achieve consistent results every time.
- Durable 48 oz container and ice blade create consistent, smooth drinks, every time.
- Pulse feature allows off-menu flexibility by allowing staff to manually fine-tune blends.
