# Care and Use

## COLORED DOUBLE WALL BOWLS

- Before using for the first time, remove all labels and wash in hot soapy water to remove any manufacturing lubricants or residue on the new item.
- If label adhesive remains on product, wipe off with WD-40® and clean with warm soapy water.
- Do not use ammonia based cleaners. Do not use abrasive materials, scratching cleansers or scouring pad to clean the unit. These can damage the finish.
- Vollrath recommends that after each use hand wash item with hot soapy water and rinse thoroughly. Dry immediately after washing.
- Vollrath colored double wall bowls may be washed in a commercial dishwasher. Follow the dishwasher manufacture's instructions and guidelines.
- Store items in an organized manner with a coffee filter or paper towel between items to avoid scratches.
- Salt solutions, acidic products like tomatoes, disinfectants, or bleaches can corrode finishes. Never store these items in the bowls and avoid prolonged exposure.
- Not recommended for use in ice.
