### SALES FEATURES

The WCS300SV is Waring's largest and most powerful food slicer. Built in Italy, with a commercially rated 1 HP\* motor, it handles the big jobs without slowing down. The extra wide, 12" blade is made of tempered hard chrome and holds its sharp edge for long-lasting, precision slicing. The blade easily adjusts slice thickness from 0–.59 in. to cut a variety of foods into perfect slices. Waring's heavy-duty food slicer features a tilt-out carriage design for easy cleanup.
