New Product Launch

WSB35 Quik Stik® Immersion Blender

Introducing the ultimate solution for all your light-duty commercial blending needs - our brand-new WSB35 immersion blender! With its powerful 2-speed motor and 7" fixed shaft, this blender will make quick work of any blending task, no matter how big or small.

Designed with your convenience in mind, the WSB35 is lightweight and compact, making it easy to handle and store, without sacrificing power or performance. With a 3-gallon capacity, it's perfect for a variety of commercial applications, from blending soups and sauces to pureeing vegetables and fruits. Its new and improved ergonomic design ensures that you'll be comfortable using it for extended periods of time, without causing any strain or discomfort.
