MULTIPURPOSE COOKTOP

## MULTIPURPOSE COOKTOP

The XPress™ cooks both sides **simultaneously** to produce flawlessly formed crêpes, **minimizing prep and cook time while maximizing output.**

This easy-to-use **dual-surface cooktop** with digital controls is ideal for today's busy foodservice operations.

- Set the time and temperature
  - Then pour and press for perfect results every time!

# FEATURES & BENEFITS

- 13.5-inch multipurpose cooktop
- Quickly and easily cook sweet or savory crêpes, quesadillas, tortillas, omelets, cheese crisps & more!
- Aluminum cooking surface with embedded heating elements for fast heat-up and recovery time after batter is added
- Dual cooking surfaces cook both sides at once, cutting cook time and eliminating the need to flip foods
- Triple-coated nonstick plates with Whitford QuanTanium®\* nonstick coating allow for easy removal of foods
- Electronic touchpad with precise temperature controls from 125°F–425°F (50°C–218°C)
- View temperature in Fahrenheit or Celsius
- Programmable countdown digital timer with audible beep indicators
- Includes silicone crêpe spatula to fold crêpes and easily remove foods without scratching nonstick surface

\*QuanTanium® is a registered trademark of the Whitford Corporation.
