

Lakeside 437 Economy Tray Retrieval Cart with Cover (6-tray Capacity)

elakeside.com/foodservice/product/economy-tray-retrieval-cart-cover-included

SKU: 437

Economy Room Service/Late Tray Delivery Carts by Lakeside Manufacturing are perfect for implementing a room service program in your community. The Lakeside 437 is open with a cover and has (6) shelves. This cart has shelves with three edges up, one down to hold items during transport. The all welded construction increases durability and stainless steel is easy to clean. Standard model has washable, fire retardant, and blue nylon cover with velcro closures conceals trays. The 437 has all-swivel 4" casters allow for easy maneuverability. Fastest in industry lead times from Lakeside's factory in the USA.
