

Preparation Tools: INTEGRATED SERVING SOLUTIONS

Preparation Tools:

INNOVATIVE SERVING SOLUTIONS

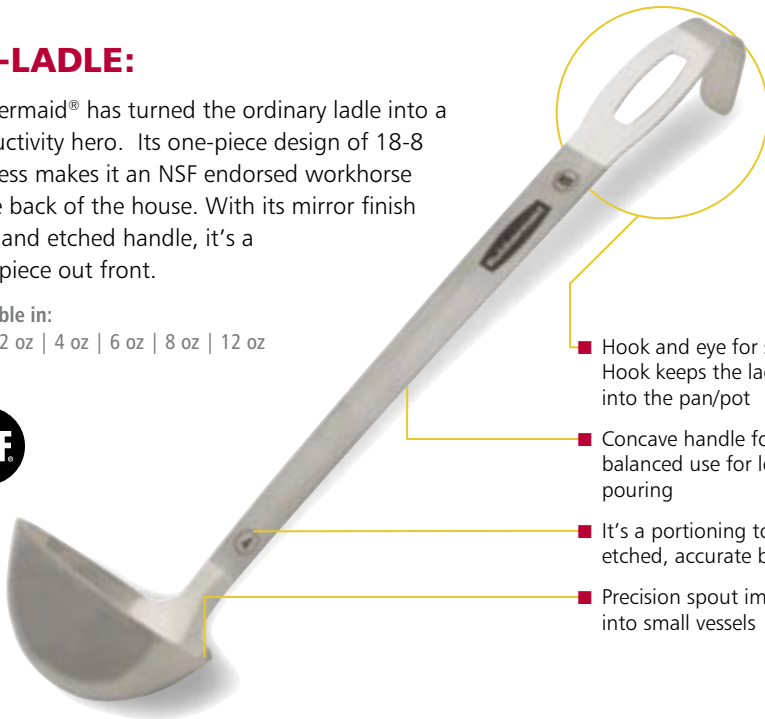

Rubbermaid® has created innovative new designs for some of a commercial kitchen's most heavily used tools to help you reduce food costs and work more efficiently and safely. These tools have been ingeniously designed by chefs and precisely engineered by Rubbermaid. Try these new tools from Rubbermaid today and watch your kitchen's productivity go up.

TRI-LADLE:

Rubbermaid® has turned the ordinary ladle into a productivity hero. Its one-piece design of 18-8 stainless makes it an NSF endorsed workhorse in the back of the house. With its mirror finish bowl and etched handle, it's a showpiece out front.

Available in:

1 oz | 2 oz | 4 oz | 6 oz | 8 oz | 12 oz

- Hook and eye for storage options. Hook keeps the ladle from slipping into the pan/pot
- Concave handle for comfortable, balanced use for left or right hand pouring
- It's a portioning tool with clearly etched, accurate bowl capacity
- Precision spout improves pouring into small vessels

3-corner, 3-sided design easily scrapes corners and sides of pan

PRECISION HEAVY-DUTY SPOON:

Raise productivity in your kitchen with this simple, innovative spoon from Rubbermaid. It has a deep bowl for scooping and a flat end for scraping. Made from 18-8 stainless steel, this spoon is built for the toughest commercial use, yet its handsome design and mirror finish make it perfect for the front of the house.

Available in:

Solid, Perforated and Slotted
11" | 13" | 15" lengths

- Hook and eye for storage options. Hook keeps the spoon from slipping into the pan
- Deep bowl for scooping
- Flat sides for cutting and scraping

Ideal for cutting and scraping

Work Smarter.

PRECISION PORTIONING SPOON:

The Precision Portioning Spoon is as easy to use as an ordinary spoon, but it has the deep bowl and accurate portion control of a ladle. Use it to make your kitchen service faster, and to help you control your food costs better. It's another great kitchen innovation from Rubbermaid®.

Available in:
Solid and Perforated
1 oz | 2 oz | 3 oz | 4 oz
6 oz | 8 oz | 12 oz

- High-heat, (heat resistant to 475°F) cool touch ergonomic handle
- Pan catch prevents handle to reduce cross contamination
- Accurate bowl capacity, clearly etched on the front for improved food costs
- Mirror finish bowl and etched handle – a showpiece for the front of the house, no need for two sets of spoons

Innovative shape for scraping corners and bottom without straining the wrist or hand

HIGH HEAT SCRAPERS AND SPOON-SHAPED SPATULAS:

These remarkable tools resist heat up to 500°F and they won't scratch valuable cookware. NSF certified so they're easy to clean. Once you've used them, you won't settle for anything less.

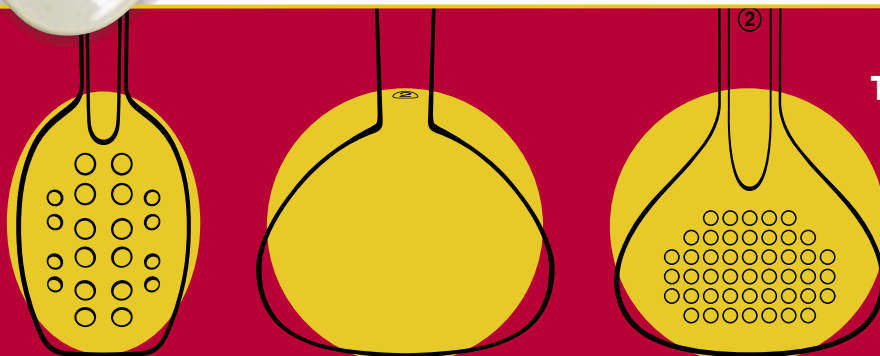

Available in:
Spoon and Scraper
9 1/2" | 13 1/2" | 16 1/2" lengths

- Cool-touch handle stays cool while cooking
- Notch in scraper blade cleanly scrapes sides of pans
- Blade and handle resists heat up to 500°F and 260°C

Clean-Rest™ feature keeps blade off countertops to reduce cross-contamination

THE COMPETITIVE ADVANTAGE...

Functional innovation designed and engineered into every preparation tool
Yellow represents current kitchen tools
Black represents Rubbermaid® Preparation Tools
